Welcome to Our 19th Year!

Well, here we are, 2007 and number 19. Who would have "thunk" it would last this long? We are very proud that it has, and so is our community. The community had to become totally involved to help make the 19th Jubilee a major success. We wish to add an extra "Thank You" for all who stepped up to sponsor our many bands. The sponsors are Mammoth locals, second home owners, businesses, visiting Jazz Groupies, and the Town of Mammoth Lakes.

Our volunteers are mostly local citizens who make up about 9% of our total town population. They are the backbone of the event. Without them, it wouldn't happen. A big thank you in advance. They just smile and make it happen, while they work many, many hours for you.

The 2007 model of the Mammoth Lakes Jazz Jubilee, with our great lineup, looks to be one of our best ever. Look for the many new happenings all weekend-check out page 6 in the program for more details. You could win a trip to see the fall leaf colors in Pennsylvania the first week of October, 2 Southwest airline tickets, Raffle Baskets, and "Dine with a Musician" certi-

cates to help make this a new adventure for all.

We urge you to become familiar with our high altitude way of life; especially drinking plenty of water to stay hydrated. Be careful of drinking alcohol, moderation is the word-it takes a lot less to get a "buzz" at this altitude, use sunscreen-you are closer to the sun, and take your time walking up hills or stairs. Above all, enjoy our scenery and the warm town hospitality. The town folks and local Jazz lovers enjoy having all you "Jazz Groupies" in town. Please sit back and listen/look at our presentation of "Jazz with Altitude".

We want to thank you, our guests, our many "old" & "new" sponsors, the many donors, the musicians, and again the volunteers; for having helped make a success of the Mammoth Lakes Jazz Jubilee. Hope to see you again next year- July 9-13th, 2008 for the 20th Annual Jubilee. It will feature a parade and some surprises. Come on back to see what they are.

Mammoth's Mayor Welcomes You!

On behalf of the Town of Mammoth Lakes and its Town Council, we welcome you to the 19th Annual Jazz Jubilee. I am very proud of our community and for the tremendous volunteer effort that goes into planning this event each year. Co-directors Ken and Flossie Coulter, along with the community and volunteer staff, are to be commended again for planning to make this year's event just as spectacular as the last. Thank you for joining us and I hope that all of you have a very pleasant stay here in Mammoth Lakes. Enjoy the great music, food, and do not forget to take advantage of the beautiful Eastern Sierra that surrounds you here.

Sincerely,
Skip Harvey, Mayor
Town of Mammoth Lakes

Dedication of the 19th Jubilee to:

These people will be missed by all who knew them:

Thelma Thompson, Dennis Hampton, and Bruce Pagni

Thelma May Thompson was born June 7, 1934; and passed away peacefully October 1st, 2006, in the presence of her loving family in Mammoth Lakes. Since 1969, she was the "lilting" voice on the phone at the front desk of Mammoth Estates condominiums. She always welcomed owners and guests as true friends. She was a member of the Mammoth Hospital Auxiliary since it began, volunteered at the Chamber of Commerce, and the first woman captain of the Mammoth Air Force after receiving her private pilot's license at age 50. She helped found the Mammoth Lakes Jazz Jubilee in 1989 with Elliott, her loving husband of 54 years, and with friends, including Ken & Flossie. The first Jubilee was held July 2nd and was a 5 hour affair with adult admission being \$2, and kids paid \$1. The first Jubilee featured the Temple of Folly and the Fullertowne Strutters from Fullerton. "What fun we had, and still have." Thank you Thelma for being part of the beginning of something big-the Mammoth Lakes Jazz Jubilee. You will be missed by many.

Dennis Harry Hampton was born April 17, 1951, and died October 30, 2006. Many of you returning "visitors" may have seen Dennis's little trailer in the back of the Holler, or may have seen him hauling Jazz Jubilee equipment at any of the venues. He was the short fellow always wearing shorts with a mammoth Jazz "staff" shirt or a tie-dyed t-shirt. He was a long time local-having lived here 37 years. A ski tuner by trade, but really was a "jack of all of the construction industry". In other words, he could do it all. What did he do for the Jazz Jubilee? Over the years, almost everything-from sleeping on stages-security, hauling chairs-stages-tables-fencing-lights-tents, pounding tent stakes, and driving heavy equipment. After years of volunteering, Dennis became the events' operations manager. His quick wit, smile, and help with all the site setups, will be missed by all who knew him, especially by the volunteers for the Jazz Jubilee. He was so well known and liked by our local citizens that with 3 days notice, almost 300 friends attended his "memorial" party, and what a party it was. His family has given a generous donation to help our Jazz Camp. May heaven have a big Jazz Jubilee so he can tell them how to run it better.

Bruce Pagni was one of our full time piano tuners for the last several years. The piano players loved him because he checked his "half" of the pianos between every set-for the full 4+ days straight. Our piano tuners are among the unsung heroes of the Jubilee, and are under the direction of Dick Dawson-a long time friend of Bruce. Bruce once told Ken that he would have done the job for "free" because he enjoyed the Jubilee so much. He traveled from Bakersfield to help keep the "ivories" sounding as they should. Our pianos never sounded as good as when you and Dick made the rounds. You will be very difficult to replace.

Beaucoups des Banjos!

There are three separate special events featuring banjos at this year's Mammoth Lakes Jazz Jubilee. The Banjo Brunch is the first of the breed, and features individual banjo and guitar players, representing the many bands performing here at the Jubilee. They play at least two at a time for 25 minutes a set. (Please note: There is a five-minute break in between sets) The popularity of the Banjo Brunch led to the inauguration (a few years later) of Banjos and Cocktails, Guitars, Too! Again, banjo players from the Jubilee are paired together (or in threes) to play in 25-minute sets. The most recent addition to the banjo bonanza is "Blazing Banjos" with the fast fingers of Gary Ryan, Eddie Erickson and Bill Dendle as a trio—you just have to discover this one for yourself! These will be 55-minute-long sets. Lots of good music combined with lots of good fun, some comedy too.

Do you recognize these "fast fingers"?

Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, inside of the RV Park Rec Room, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that the Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind the closed Ocean Harvest restaurant. Very limited spaces at other sites.

For all you weary guests, check out a very special feature at the Holler—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices.

The Village Gondola is wheelchair friendly, but there are stairs to get down to the tent. Hoping to get a ramp for you to get to the tent level, but there is grass, & dirt to still negotiate. You could remain on the flat surface on the back side of Canyon Lodge and hear the music, but not see the performers.

Canyon Lodge does have an elevator to get you to the deck by the Canyon tent. One again, there are stairs to get to that tent. To get to the top of Canyon Lodge, for the special Wednesday night performance with Steve Lucky & The Rhumba Bums, you can use the inside elevator to reach the performance area. Follow the posted signs at Canyon Lodge.

Sherwin's will have some handicapped parking close to the building.

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. The organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp. This year they are assisting the Jazz Jubilee by sponsoring 1/2 of the Professors. Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Holler. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you. The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, and the Community Chorus ("Messiah"). They also provide scholarships for promising high-school seniors who have proven their interest in the music field. Stop by there booth to see if they have something you may want to buy. A big Thank you for sponsoring 1/2 of our Jazz Camp "Professors", and a Jazz camper.

Jazzy T-Shirt Raffle

One of the most popular souvenirs at the 2007 Mammoth Lakes Jazz Jubilee will be a "Jazzy T" and "Jazzy Golf" shirts. The "T or Golf" shirt is your ticket to a fabulous raffle. All new format this year-only 2 very valuable prizes. Our first prize is 2 Southwest airline tickets to anywhere in the continental US, and you have a chance to win the grand prize-a trip for 2 to see the fall colors in the east. **WOW!**

Here's how it works: Buy a Jazzy T-shirt, fill out the attached entry card and enter it into the raffle. Buy two, and your chances increase. Every shirt is individually numbered to represent the purchaser's chance in the raffle. Remember, Christmas is only 5 1/2 months away.

Come the festival's final hours, each postcard will be placed into "the hat" for the grand prize drawing-see the fall colors in the hills of Clarion, Pennsylvania during the first week of October. The "Autumn Leaf Festival" package includes airfare for 2, 5 days & 4 nights hotel accommodations, most meals, behind the scenes look of the Clarion Fall Festival, an airplane ride above the festival, & souvenirs; all to help make this trip a once in a life time experience Estimated value-\$2000.00. The value of the Southwest Airline tickets will vary, depending on the travel plans/destination. You can't win if you don't play, so be sure to buy your "Jazzy Shirt" at The Holler souvenir tent. Fill out the attached card and hand it to the Jubilee Raffle volunteers. Please note: Winner need not be present to win! If we can read your card, we'll know how to find you.

Even if you don't win, you will have a beautiful Jazzy T-shirt or golf shirt to commemorate the event. Best of all, profits from the Jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

Our first "Jazzy T" was printed for our fifth Jubilee in 1993. Do you have all of them? If you missed 1993, look for the raffle basket with a "new"-never worn, 1993 Jazzy-T as part of the package.

Buy a 2007 T-shirt today to add to your collection, or start a collection.

Buy a chance on the Mardi Gras Quilt. See information on pg. 6.

Drink Responsibly...

Alcohol at High Altitude Hits You Harder. You're at 8,000 Feet Above Sea Level.

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to **"Think Before You Drink!"** This is the High Sierra mountains and the elevation of this festival is about 8,000 feet above sea level. For those of you unfamiliar with such altitude, take it easy!

You and your body will react to alcohol differently- you will get drunk much faster. Please hydrate with lots of water. Consuming two beers at a high altitude will affect you more than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus system. Please limit your bar purchases to two drinks a trip. If you live/or are staying outside the shuttle route, contact a site manager, who will find you a ride home. Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. Pick up one of the local hospital's brochure titled "High Altitude Tips" for more information about "Altitude Adjustment".

10th Annual Musical Instrument Petting Zoo

Saturday, July 14, 9-9:45 a.m. at the Holler

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee ten years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 14 at the Holler. Petting Zoo time begins at 9 a.m., so stop by and hold, blow, beat or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Jazz Camp students and musicians participating in the Jazz Jubilee may be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the Jazz Camp.

Do you have enough "wind" to make a "quallity" sound?

Survival Guide

Rules where common sense & Jubilee etiquette should prevail:

THESE RULES WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL. THESE ARE FOR YOUR INFORMATION AND TO HELP YOU HAVE A GREAT TIME PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES:

FIRST AID

If you need help, notify any site manager (wearing red vests) or a volunteer, and he or she will radio the nurses and paramedics on duty. The paramedics will treat you within several minutes.. Call 911 for all other emergencies in Mammoth Lakes. If someone is having a serious medical problem, don't wait to talk to a volunteer, dial 911. If you need the address of the incident, check with a volunteer.

NO SMOKING

Because we are in a very high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your "butts." Note to our visitors from out of state: ALL California bars and restaurants are non-smoking. Many of you think that stepping on your cigarette butt is enough to put it out - **WRONG** - please don't take a chance as it is very dry.

BE CAREFUL CROSSING STREETS

Use crosswalks where painted. Be aware that Minaret Road by The Village is very busy—try to stay inside the walking lane and **push the crossing light buttons when available**. Also, the sites for the Big Top, and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Drivers are not used to a lot of foot traffic in the area. Use crosswalks and look both ways.

Another area to use extra caution is the Holler. There are no streetlights between the Church site and the Holler, so be careful when walking there. Little Eagle Lodge & Canyon Lodge parking lots have few lights, so **you may want to bring a flashlight for evening walking**.

NO SEAT SAVING

Not even with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open for example), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please **DO NOT** save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom, dance, or if you want to buy food or drink! Tell your "neighbor" so your seat will not be given away).

LOST AND FOUND

They will be located in the main ticket booth at the Holler and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn. Check the area around your seat before you leave so you don't forget anything. We always get a "lovely" collection to give to our local hospital thrift store.

RECYCLE CANS & BOTTLES

Recycle in the marked trash containers. We are trying to recycle "better" than in the past. Please help us with this goal by placing "trash" in the correct receptacle, and recycles in the bins where they belong.

Please see page 16

PARASOLS & UMBRELLAS

Please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people! Read the "Mardi Gras" Madness article on page 8.

VCR RECORDERS

They will be allowed in designated areas only—this is at the discretion of the bandleaders. If they do not want you taping please follow along with their request. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

DANCING

Please Dance only on designated dance floors. They will be at the following sites: RV Park, Holler, Big Top, Whiskey Creek, Whiskey Creek Tent, Church, Canyon inside and out and Grumpy's Tent. Special dance floors at the Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you, please do not dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

SSHH!

It is always fun to greet "old" friends, but try to remember to hold it down! When conversing with friends, we sometimes forget others can hear our "news" too. If you must talk and socialize, please go to an "outer area" of the venue so you don't disturb people who are trying to listen. We tend to talk "too loud" when the music is soft, and hearing aids are turned down.

RESTROOMS ARE PROVIDED AT EACH VENUE

Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent—all areas with a black top surface. Also, nice facilities are in the RV Park Rec Room, and Little Eagle. The Canyon tent will have indoor toilets nearby.

AGAIN THIS YEAR, FREE GONDOLA RIDES

A fun, free Gondola ride from a large, free parking lot area located at Canyon Lodge at the top of Canyon Boulevard to "The Village", which is the area located across the street from Petra's Café, The Alpenhof Lodge, and Burger's Restaurant.

The Gondola will operate many hours on all five days. There is plenty of time to get you to the event so you can hear some great music. It takes only four plus minutes each way, so you can go back to your vehicle to pickup a jacket so that you don't have to carry it around all day. For you late night owls who stay up and watch the last shows at Whiskey Creek & Little Eagle, you'll have to move your car closer to those locations before the last Gondola ride at 10 p.m. on Thursday, 11:00 p.m. on Friday and Saturday, and 5:45 p.m. on Sunday. Parking should have cleared out some by then.

PARKING INFORMATION

Other parking areas will require "common sense." It will be limited in some locations of town, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, Mammoth High School lot behind Grumpy's, Little Eagle Tent lot, and the lot across from the Village-off of Minaret. Please do not block parking spots designated for band members, our hardworking crew, or any local parking signs. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot as well as the RV Park, Main Street

16 19TH ANNUAL MAMMOTH LAKES JAZZ JUBILEE

& Minaret Roads. Please see the map in this program to find location and approximate pickup times. Be aware that the High School lot may have a small charge collected by high school organizations. It will be used as a fund raiser for the collecting group.

ALCOHOLIC BEVERAGE POLICY

Any beverage you purchase at one of our food/drink booths may be taken out of that outdoor site, transported up/down the street, and taken into another outdoor site. Please note that California law DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN VEHICLES. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the "Drink it or Dump it" rule that applies to most fests. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Café, Little Eagle, Whiskey Creek Restaurant, Sherwin's or Hennessey's site. Thank you! Any vehicles operated by the town do not allow alcohol/food. Please obey this rule!

SORRY—STILL NO COOLERS, THERMOSES OR "OUTSIDE ALCOHOL" ALLOWED IN ANY VENUE.

WOODEN DOLLARS

They will be used as payment for food and drink at most outdoor sites only. The exceptions: The Sunday night programs at the Canyon Lodge & Grumpy's Tent. The "Good-bye 2007 Jubilee" party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Upstairs Canyon's "Extra Jazz" dinner will also only take cash. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

MOST INDOOR SITES: Whiskey Creek Upstairs, Petra's, Hennessey's, Little Eagle Tent, & Sherwin's will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to the Holler and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from \$1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at the Holler.

MOST OF ALL ENJOY!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tents, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 19th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment. Most of these indoor venues are restaurants, and popular bars. Seating is limited at these indoor venues.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

- **The RV Park:** This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US 395. This site has over 200 seats and a great dance floor! Wooden Dollars are accepted here! The only indoor site to take them. A special Wednesday night show will start at 8 p.m. and run until 10:30 p.m. Jeff & Anne Barnhart, Danny Coots, Sherri Colby and Matt Bottel will perform "From Ragtime to Broadway" plus lots of other good stuff. There will be an extra \$10 donation for all those without "All Jubilee Badges."

- **Whiskey Creek (Upstairs):** Located at the heart of the Jubilee at the corner of Minaret and Main streets, Whiskey Creek will feature a variety of bands on their always-festive stage located inside and upstairs this popular restaurant. Look for it to be open on Thursday, Friday and Saturday nights.

- **Little Eagle:** Eagle Lodge will be used during Friday & Saturday only. It will be the home of pianorama, and many other special sets. It is located next to Juniper Springs Lodge-at the end of Meridian Blvd. Large parking lot across the street.

- **Hennessey's:** The Banjo Brunch will be held here on Saturday, July 14 from 8:30 to 11 a.m. Hennessey's is in The Village, right near the loading area for the Gondola to Canyon Lodge.

- **Petra's:** Also located in the Jubilee hub in front of the Alpenhof Lodge, this local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon from 4-6 p.m. Wine/Beer/Food available.

- **Sherwin's:** A small venue down Old Mammoth Rd. past Mammoth Creek Inn. Follow the signs to the Sierra Meadows Equestrian Center - This site will have 100+ chairs, food & drink for "cash" purchase. It will be used Thurs., Fri., & Sat. nights only.

Many of these indoor locations are fairly small, and seating may be limited. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at most outdoor sites only, and the RV Park.

Friday Night Mardi Gras Madness or Manners?

Once again this year—2 locations to have Mardi Gras fun on Friday night—the Church and The Holler. Masks and beads will be for sale at each location. Join in the fun and catch the Mardi Gras spirit.

Please have a fun Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at the both Church and Holler become "blocked" when people stand/dance/or jump around in front of the stage. In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 45 minutes of each 55 minute set, "second line" paraders and partiers may move anywhere in the site so long as you **DO NOT STOP** in front of the stage, or interfere with someone else's view. But it is NOT OKAY to party in front of the stage where you block vision for those seated there.

3. **Exception**—for the last 10 minutes of each set—approximately 8:15 to 8:25 p.m., 9:30 to 9:40 p.m. and 10:45-10:55 p.m. in the Holler, and 7:15-7:25 p.m., 8:30-8:40 p.m., 9:45-9:55 p.m. & 11-11:10 p.m. in the Church; it will be okay to get in front of the stage. However, ABSOLUTELY no one other than paid performers is allowed on the stage at anytime!

4. To those who are seated, we hope you enjoyed the first 45 minutes and understand the last 10 minutes of each set. If you can, you may want to join in the fun with the "second line" paraders.

5. Remember most rows of chairs in the Holler and the Church are on a relatively level surface, so if you want to see the stage for the whole show, you may want to take a seat "on higher ground", or get up and party, too!

Be prepared to have some fun and get into the Mardi Gras spirit and Mardi Gras in July.

We are trying to make Mardi Gras fun for one and all. Thanks for your understanding and cooperation!

"Look Mom, that's really me having fun at the Friday night Mardi Gras."

The Blue Street Jazz Band has been a major force on the Dixieland Jazz circuit for over 25 years. Wow, they are getting to be "Old Timers". Founded in 1983 by trumpet player Forrest Helmick, and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin"—Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. They have more than a dozen top-selling albums, and too-many-to-count live performances around the globe behind them.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you on your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown into the mix, the band has a wide appeal to audiences and pleases both young and old alike.

The seven multi-talented musicians of Cornet Chop Suey will give you an exciting Traditional Jazz and Swing show every time! And they do so with gusto and enthusiasm. Formed in 1997 by co-leaders Brian "Big B" Casserly and Tom Tucker, the band is excited to make their fifth appearance here at the Mammoth Lakes Jazz Jubilee.

Named after a popular Louis Armstrong tune, Cornet Chop Suey has at least a century of songs in their repertoire—from the rags and Dixie of the early 1900s to contemporary jump, jazz and swing. Don't miss their special tribute to "Satchmo" on Sat. evening at the Canyon Tent. Two of their recordings, "Cornet Chop Suey—Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members of the St. Louis Jazz Club will keep you coming back for more! Look for the special sets played by only part of the band—Tribute to Gerry Mulligan, and "PB&J".

This is the first appearance for our local group, Flashback. What can you expect from this quintet? Good old fashioned 50's and 60's music. You will hear many songs from the past that most of us will remember all the words and are able to sing along. Leader Tom Gault has been around the Jazz Jubilee for many years, behind the scenes with his Mammoth High football team, helping with the Jazz Jubilee setup. Over the years, you dancers have seen an improvement on our dance floors, that's thanks to Tom & his crew. Try to catch at least one of Flashback's sets and relive the beginning of rock and roll.

The High Sierra Jazz Band is a hard-driving, energetic band playing west coast style music ala Turk Murphy and Lu Watters. The band was formed over 30 years ago, and still has 4 of the original members-Charlie Castro on drums, Bruce Huddleston on piano, Stan Huddleston on banjo & guitar and Earl McKee on tuba & vocals. WOW, wonder how many tunes they've played together over all those years? Previous personnel have been replaced by Pieter Meijers-leader and reeds, Howard Miyata on trombone, and Corey Gemme on cornet. Because the band has a repertoire of several hundred tunes, they can perform at a 3 day event without a repeat. Back for their fourth appearance at the Mammoth Lakes Jazz Jubilee, High Street is a show band that has both aesthetic appeal and solid musicianship. As one of the northwest's most entertaining bands, High Street has a repertoire that includes cover songs and original tunes in a mixture of Swing, Jazz, Latin and Blues. This makes for good listening and dancing music.

This 10 to 11 member group has performed at Walt Disney World, the late Boise River Festival, the Bite of Portland, and on the Norwegian Cruise Line. They have also opened for Huey Lewis and the News and were the showcase band for an International Festivals and Events Association convention which is where we discovered/booked them. A flute at a Jazz Jubilee, a Jazz Concert, or a Jazz Festival? UGH! Wrong! When Anne and her flute join husband Jeff at the piano, sparks fly. Talk about talented; this couple will dazzle you with music and mirth in a truly exceptional show. Hope you'll love them as much as we do. They can produce sophisticated sounds, ragtime tunes like you've never heard before, and have a good time doing it.

Ivory & Gold was "accidentally" created at this Jubilee when Anne sat in with Jeff during his time slot during a pianorama. We are sure glad she did! They have now become a festival favorite on the "circuit". Ivory & Gold has expanded to a trio by adding Danny Coots, a Grammy award winning Nashville percussionist, to the mix. Be sure to pick up one or more of their 4 recordings as a duo and 2 recordings as a trio, to hear them after you leave Mammoth.

Jazz Camp Youth Band

MAMMOTH LAKES, CALIFORNIA, AND BEYOND...

Sponsored By: The Elliott Thompson Family in memory of the late Thelma Thompson.

Many local-area students as well as youth from as far away as Arizona, Idaho, Oregon, Washington, Florida and, Utah are participating in the 12th annual Mammoth Lakes Jazz Camp, July 9-16. The week-long camp will culminate in several Jazz Camp Youth Band performances followed by a graduation ceremony on the final day of the 2006 Jazz Jubilee. No music is played at the camp graduation, but lots of "well dones" are given to the campers from the professors.

The jazz workshop gives them hands-on experience and training with some of the Jubilee's top professionals.

These 13-17 year olds really learn how to strut their stuff. Make sure you catch these talented youth at least once. You will be pleasantly surprised.

She & her fellow Canadian/USA players have the distinction of being the Mammoth Lakes Jazz Jubilee's only "foreign band" so far.

This "all Female" band is making its second appearance, but the first with almost all of its regular players. Last year a substitute male trombone player was used as Emily was unavailable. "In the past, camp instructors hailed from various bands. It made scheduling very difficult." Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in their "usual" band, so we formed a new one."

The success of "The Professors" was instantaneous. We feel great about putting this group together! They are a collection of some of the best players/educators around, and the Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see/hear them perform.

With so much talent and experience, they will surely bring the house down again this year!

Paul Reid does not have 'sticky" fingers on any key board he plays, while Brian Casserly does know about all of the "butter & Jelly" used to make the jelly donuts he sings about; and Jim lays down a "smooth" beat to keep it all together. The Side Street Strutters return to the Mammoth Lakes Jazz Jubilee for the eleventh time. They capture the charm, vitality

and creative energy of Jazz-America's musical heritage.

This sharply-dressed septet has presented formal concerts at theaters and performing arts centers throughout the country and Europe since the band's inception in 1983. They have developed their own unique formula for presenting over half a century of jazz styles, including Dixieland, Blues, Big Band Swing, jazz standards and post-bop classics. You can also see them sharing the stage with professional symphony orchestras, that includes "Pops" appearances with the Houston, Phoenix, Jacksonville, and Long Beach symphonies.

A performance by the Strutters often includes surprises such as tap dancing, lighthearted humorous antics, bead tossing, and the use of rare and unusual musical instruments. They have many CD releases along with Rob's release featuring the rare Con-O-Sax. You will hear the tunes from these as well as their "Back to Bourbon Street" CD. Come join in the fun.

SAN DIEGO, CALIFORNIA

SPONSORED BY: MAMMOTH LAKES LIONS CLUB

Sue Palmer Leader, Piano, Vocals
 April West Trombone
 Jonny Viau Saxophone
 Steve Wilcox Guitar
 Sharon Shufelt Drums, Vocals
 Pete Harrison Upright-Bass
 Deeja Marie Vocals

Sue Palmer has been coined the "Queen of Boogie Woogie" by San Diego. She knows it inside & out; using right hand licks that bristle with energy, imagination, and skill. She can transport an audience to that little Harlem jazz café of 1937, and move comfortably from blues to jazz to swing. She has chosen some of the West Coast's finest to accompany her-playing big band tunes, jazz, jump & blues. Watch for April West, trombonist, to take off her shoe and play her horn with her foot. Sharon Shufelt, drummer, is the source of the band's swinging rhythms. Pete Harrison gives the band its heartbeat with his upright-bass. Deeja Marie captures the audience from her first note of song to the end of the set. Steve Wilcox uses his high energy guitar to whip the crowd into frenzy. And, Jonny Viau "rips" on his saxophone to complete this band's personnel. Welcome them back with as much enthusiasm as they will generate for you.

Do you like your jazz to swing? Well, this band does!

"Folly" was formed 25 years ago by Elliott, Dave and Ken. Most of this current group of great musicians has been together for eleven years and really digs working with each other. We again welcome Ron Stout from Los Angeles, you will love his playing.

And of course, the star of the show, Yve Evans, vocalist and pianist extraordinaire, is back to belt out a tune or two for you. We are really glad to see/hear her here as she has had a rough health year. Yve, may you continue to improve.

You will hear a lot of Ellington, Basie, Dorsey, Goodman and Shearing tunes from this fine band.

The host band of the Mammoth Lakes Jazz Jubilee welcomes over 160 musicians to Mammoth and knows they will play their hearts out for you, as usual. Sit back & ENJOY.

Rikki Nishimori Leader, Trumpet
Katie Waters Tenor, Saxophone
Priscilla Ornelas Tuba
Grady Gardenhire Trombone
Jeff Waters Clarinet
Jonathan Raman Drums
Roger Cross Piano
Richard Ornelas Guitar

The Barkin' Dawg Jazz Band is comprised of young musicians who attend school or just graduated. They are/have been music students who are majoring in math, & computer science. They are future professionals and music educators who are from Lodi, CA.. This band was organized by Bob Romans, a retired music teacher and leader of the Cell Block 7 Jazz Band. He has organized 5 youth bands over the years; the Barkin' Dawg Jazz Band is one that still remains together. In 2002, Bob turned the band over to Rikki Nishimori. The "Dawgs" like to create their own arrangements of Trad Jazz standards, and is one of the few youth-young adult bands that don't have an elder instructor. Come hear them play your favorite tunes as well as a few original arrangements you're sure to love. Over the years they have performed at the following festivals-Sacramento, Monterey, Fresno Mardi Gras, Vintage Wine Festival, and at Mammoth.

Their first appearance three years ago should have been a happy occasion, but their Saturday set at Whiskey Creek Tent was a reminder of how fragile our time on earth is. Lance Gardenhire, a former member of the band, died March, 2004 at age 19. The Barkin' Dawgs asked to dedicate that set to Lance Gardenhire who loved the Mammoth Jazz Camp, experience, and loved the area. His family asked that any money collected be donated to the Mammoth Lakes Jazz Camp. With that money, we have started a Lance Gardenhire scholarship for a Mammoth Gina DeMartini.

The Titan Hot Seven is filled with familiar faces. Founded by the late Louis Brown as a quintet, the band has several members who were/are associated with the Jack Daniel's Silver Cornet Band, including Danny Coots & Jerry Krahn.

This Nashville based Hot Jazz band became seven pieces in 1998, when Bob and Jeff jumped on board here at this Jubilee; making the Titan Hot 5 the Titan Hot 7. This versatile group, plays everything from Traditional Jazz, Swing, ballads, ragtime and novelty tunes with spontaneous, outrageous humor. We are very excited to welcome them back for their ninth outing together in Mammoth Lakes.

They now have 5 CD's and "solo" albums that have been highly rated by Cam Miller-American Rag columnist.

You can count on every show to be full of surprises, and plenty of good music; after all, this 7 piece band was really created here in Mammoth.

After several years' absence, Tom Hook has brought back the "Terrier Brothers". This hot gang of musicians is sure to bring the house down, the tent down, or wherever they are playing down.

You will recognize several members from the original "Black Dogs", or any of the other versions of the "Dogs". Here at the Mammoth Lakes Jazz Jubilee, they have come in a variety of forms; as "Les Chiens Noir", as the "Terrier Brothers", "Uncle Yoke's Black Dogs" and more. But they always are a festival favorite, always the life of the party! Don't miss this crew of dynamic musicians who are always in pursuit of having fun and playing great music, Tom and the "Brothers" have put their energies into American pop music and crested a wave of "Jump/Jive & Swing" long before the current crop of "swingsters".

The "Brothers" have also made a point of playing the finest New Orleans-style rhythm and blues, along with the old standards.

They swing hard, are rock steady, and drive everyone out of their seats and onto the dance floor. Look for their special "Trad" set.

What can you expect from this new to the Mammoth Lakes Jazz Jubilee band? A variety of sounds and styles of music. Tom and crew specialize in "roots" music which will include: blazing Cajun, zydeco two-step, New Orleans R&B, jazz, blues, traditional Irish music, ballads, waltzes, and rock. Seems like something for everybody who likes to enjoy a musical gumbo played with flair & passion. Most of the tunes you will enjoy were composed by Rigney, but you will also hear a few of your favorite classics. Tom & Flambeau are veterans of many Bay area bands such as "The Sundogs", & "Queen Ida's Bon Temps", and have played with the likes of Clifton Chenier, Marcia Ball, & Henry Butler. A trio of very talented performers who play in the Benny Goodman style-featuring clarinet, piano, and drums. As you have read before, this group was created in Mammoth to fill a late night need. They have filled that gap very well! So well, that it may be difficult to get a seat even though they play into the wee hours of the morning. We 3 covers over 60 years of music, ranging from Stride to Ragtime, ballads to bounces, and a surprise or two thrown in. If the body/mind allows, try to experience this very gifted trio,

who are true friends. This year after their birthdays, they will all have a "0" as the last digit of their ages-making the sum of their total years-150.

Our Philosophy

Still jazzing after 19 years...

"Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive, and we hope we are.
To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible. (Please enjoy our spectacular scenery - it's everywhere.)

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes over the last 18 years & will continue this year as well.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you. A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there. All together, these make up one of the best things about being here, even if it only happens once a year."

[Adapted from "Why a Jazz Festival-Festival?" by Ralph Gleason].

Please absorb your mountain musical experience—"Jazz with Altitude"—at the 19th annual Mammoth Lakes Jazz Jubilee.

Terry Myers and the Mammoth Lakes Big Band

EVERYWHERE USA SPONSORED BY: THE TOWN OF MAMMOTH LAKES

Terry brings some wonderful charts from his home state of Florida for our fabulous musicians to sight read. No time for rehearsals, so what you hear has to be good the first time through, and it is! This group will change often throughout the time allotted so you will get to hear and see many different combinations of vocalists and players. We are very proud of what these guys and gals can do! Sit back and relax, close your eyes, whether remaining in your chair or while you are dancing, and try to remember what you were doing when. Enjoy some of the very best at what they do. You may not know some of the tunes, but listen to the arrangements - they're wonderful!

Jazz Jubilee Camp, 13 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its twelfth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 9 and runs through July 16. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Jazz Camp Youth Band on the schedule. Come and support our jazz players of the future!

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band, and leader of the Professors, is the camp administrator. Several other world class instructors will join Dendle in the experience, including Rusty Stiers, Anita Thomas, "Fast Eddie" Erickson, "Westy" Westenhofer, Tad Waddell, Jason Wanner and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "Professors." Check the schedule for time and locations, you won't be disappointed, but you will be amazed.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona, Oregon, Washington, Idaho, and Florida. This year we are adding Japan to the mix. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets.

These kids will amaze and delight you! Don't forget to catch a set or two of the Barkin' Dawgs—many are former camp graduates.

JUBILEE SENDS STUDENTS TO JAZZ CAMP

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp. This year several new camp scholarships have been offered due to the generosity of Thelma Thompson's family setting up a jazz camp memorial fund in her name. Thelma was one of eight people who helped start this Jubilee along with her husband Elliott who plays trombone in the Temple of Folly Jazz Band.

Dennis Hampton's family also contributed to the jazz camp, to help keep Jazz alive.

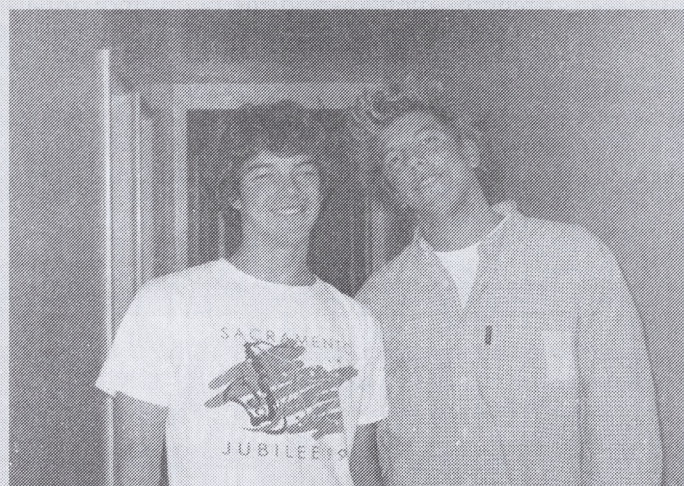

Another part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at The Holler, donates a jacket each year, for which we sell raffle tickets at \$1 each. Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket! *_MLJJ*

The Lance Gardenhire Trombone Scholarship Fund "In Loving Memory"

Lance and his brother, Grady at camp 2002

for as long as possible, in hopes that other young musicians will have a chance to be influenced and shaped by Mammoth like Lance was and to help keep Lance's memory alive. This year's recipient is Gina DeMartini, 18, from San Jose, California. Her parents are Mike and Sally DeMartini and this is Gina's 5th year at camp. She plays the tuba, and her brother, Nick, 16, plays the clarinet. Since she is 18, and it will be her last year as a mammoth camper. Congratulations, Gina!

Three years ago, at the age of 19, four-year camp attendee and Barkin' Dawg Jazz Band Member Lance Spencer Gardenhire passed away due to malignant melanoma that spread rapidly through his body. Lance was a talented young trombone player who attended Mammoth Lakes Jazz Camp from 1999-2002 and made his last trip to Mammoth in 2003 to see his younger brother Grady perform as a jazz camper. After Lance died, his family hoped that, in lieu of flowers, money could be donated to certain organizations, one of which was Mammoth Lakes Jazz Camp. It was by far the most successful of the funds set up in Lance's name, and his family greatly appreciates each and every donation, including those made last year right here at the Jubilee. The four summers Lance spent up here at Mammoth helped to shape his life and were a big part of the young man he became. Mammoth brought him so much happiness as well as helping him to grow in talent and confidence both on and off the stage. For this reason, Lance's family would like to see the funds used to assist other young musicians, one each year
